

## Great Lake TURN Labor-Management Collaboration Conference

# Addressing Poverty & Proficiency through Union-Management-Community Partnerships

**Our next Great Lakes TURN Labor-Management Collaboration Conference is set for April 30-May 1, 2015 in Downers Grove, IL.** We are excited to be able to provide this opportunity to bring together collaborative teams of union and management from across the Great Lakes TURN region states.

Our GL TURN locals are encouraged to invite representatives from their district and school administration, boards of education, and community leaders to join their teams for this two-day forum. We continue to encourage our GL TURN locals and districts to continue to share their collaborative efforts to plan and implement teaching and learning initiatives as part of our Regional TURN Communities of Practice.
